"THEY USED TO SAY THAT AGRICULTURE
HAS NO FUTURE, BUT WITH GOD'S
BLESSING AND OUR DETERMINATION, WE
HAVE SUCCEEDED IN TRANSFORMING THIS
DESERT INTO A GREEN LAND."

ALJURF THE PROJECT

Our landscape is ever-changing, adding layer upon layer, building on the existing, merging, integrating, and weaving—to produce natural masterpieces of timeless beauty. Nestled along the Sahel Al Emarat Coast, AlJurf adds a new layer of beauty to the existing landscape. Integrating itself within the natural environment, AlJurf is a masterpiece that preserves and enhances the existing beauty, perpetuating a legacy, rather than changing it.

AlJurf will feature a range of facilities including a world-renowned wellness clinic and retreat, unique residential communities and serviced residences, a marina and a town centre encompassing a hotel and retail units. All these components will be carefully integrated within the natural landscape of AlJurf as to not disturb its harmonious beauty, but rather capitalise on it. Guests and residents will become the protectors of the ecosystem in the same way our ancestor were, while enjoying the simple luxury provided by this intricately weaved work of nature and design.

Aljurf GARDENS

THE COASTAL RANCHES

OF ALJURF

Aljurf Gardens is where, decades ago, tens of thousands of trees were planted to create a green haven in the desert of Abu Dhabi.

Even the name has an aura—it is possible at once to lose and to find yourself among the trees and natural landscape, following a path which leads from the thoughtfully interwoven coastal ranches to the private and secluded beach.

Aljurf Gardens is a natural masterpiece; an intricate tapestry of 500 landscaped plots designed to seamlessly integrate within the natural, raw beauty of Aljurf.

Inspired by local culture, Aljurf Gardens tames the wilderness of its surroundings to introduce refined architecture patterns repeated in different scales to reflect nature's exquisiteness across every typology of homes, gardens and courtyards.

AMENITIES

PRIVATE ENTRANCE

Sanctuaries are a place of blissfulness, fulfilment, and soul enrichment. They are a haven where you feel safe and free to be yourself; to find inner peace.

Away from the bustling crowds, and quick paced city, with a private and gated entrance, lies AlJurf Gardens. Stepping through the gates, one walks into a place that allows one to live simpler, that allows them to experience an authentic time with family and friends, in a private and secure environment.

PRIVATE BEACH

Nestled between Abu Dhabi and Dubai lies the most pristine coastline in the Emirates—Sahel Al Emarat. A coastal getaway that captures the imagination, heritage and nature of the Emirates and offers a timeless and universal appeal and charm that adds to the feeling of escapism.

AlJurf Gardens boasts its own private beach and coastal shores stretching alongside the development's border, protecting its residents from the outside world.

PRIVATE MARINA

For generations, Abu Dhabi, with kilometres of pristine coastline and a plethora of natural islands, has been at one with the sea; it was home to fishing and pearling fleets and active boat yards. Emiratis still take to the seas in droves—but more recently in a more leisurely fashion.

Comfortably nestled on the shores of the beautiful coast of AlJurf and a short path through the trees and lush greenery, lies the private marina, accessible exclusively to the residents of AlJurf Gardens for an actively enriching lifestyle.

COMMUNITY-CENTERED

AlJurf Gardens has the community at its heart. It boasts a majlis, courtyard architecture, mosques and a community centre; offering a welcoming setting to come together.

AlJurf is a beautiful natural place, a framework for an authentic life. Critical to this is a supportive community that provides social engagement, different from what one finds in the city.
