# SOAK IN CALIFORNIA CULTURE

California isn't just a dream of stardom.

It's a promise of a life that balances work and play,  
energy and serenity, urban and nature. Key elements  
of that globally coveted lifestyle have made their way  
to Dubai with effortlessly warm and plush spaces.

# FEEL THE LA VIBE

Imagine yourself at the heart of LA, the world's entertainment capital and one of the most populous metropolitan hubs on the planet. Here, the affinity for contemporary style becomes a backdrop for an enviable residential address.

# MELROSE ESTATES

## CALI VIBES, GOLF VIEWS

Find all the space you need for the life you always imagined. Introducing Melrose Estates, limited edition golf villas that capture the true essence of California. Life here is a subtle nod to the elements – the sky, the greenery and the vibes.

Melrose Estates speaks to connoisseurs of the high life. The design ethos brings the outside in and the inside out, creating warm, transparent living spaces enveloped by breathtaking surroundings including the 18-hole championship golf course.

## STRIKING FIRST IMPRESSIONS

Even as you enter, the double-height foyer entrance blurs the lines between the elegant interiors and the resplendent outdoors. The thoughtfully designed kitchen, dining area and living room inspire intimate family dinners or gatherings with friends.

## VIEW LIFE DIFFERENTLY

Take the stairs and arrive to your sanctuary. Three bedrooms give large families more space to get closer. The elegant master bedroom redefines the concept of space. When the glass doors slide open, endless conversations ensue into the sunset.

## OUTDOORS ABOVE ALL

Few homes can pride on rooftop terraces as emphatically as Melrose Estates. When you're not watching the sun go down or taking in a few rounds of golf, the rooftop terrace can double up as a game room, private outdoor cinema or gymnasium.
