5 BEDROOM VILLAS
ENDLESS MEMORIES

AKQYA

They say the love of a family is life's greatest blessing. Inspired by this notion, we created a home that goes beyond glass, paint and concrete walls, where warmth and sharing are encouraged and celebrated. Introducing Mega Villas, a collection of five-bedroom homes with ample room for families to grow and prosper. Spread across three floors, each one provides enough space for every family member.

together, stay together*

FEEL THE SNAPSHOT

There's something about a family that is unbreakable – from endless conversations and family banquets to adorable mother-daughter cooking moments. The ground floor features an open layout with a kitchen, living room and dining room; all beautifully designed and spacious for you to create your beautiful memories.

FAMILY

When the day is over, the master bedroom, with its very own private bathroom, will embrace all your wants and needs.

With two more bedrooms right next door, you'll be close to your children and grandchildren for tuck ins, cuddles and bedtime stories.

*An everlasting
sense of belonging*

FOREVER

These villas are forever homes for generations to come – featuring a further two bedrooms on the second floor, this space is ideal for newlywed family members or college students who require more privacy. With access to the large terraces, you can let the outdoors in and enjoy the green views of the community.
