THE LEGACY CONTINUES

Arabian Ranches III marks the continuation of a legacy that started in 2004. Since then, we have been crafting and perfecting Dubai's most established and sought after gated community. Arabian Ranches III is the culmination of this story.

AUTHENTIC LIFESTYLE

JUNE is a gated community designed for the way people live and set to become home for like-minded families seeking an authentic lifestyle away from the buzz of the city, surrounded by exceptional amenities and with a sense of neighbourhood at their very core.

A PERFECT SENSE OF FLOW TO THE OUTDOORS

Private and secure, with a lush central park in the heart, the scenery unfolds around each property. Step into a lifestyle of serenity and bliss in a beautifully crafted community of linear parks interwoven like green threads between rows of semi-detached villas, offering each villa direct access to green open spaces from the rear entrance.
