YOURS FOREVER

NICE, FRANCE

à Toi, pour toujours

Picturesque

It's easy to see why impressionist painters were drawn to this little coastal town. The sunny skies, deep blue waters, cobblestone streets and distinctive architecture make it seem like a pastel work of art.

Charmante

Celebrated as the capital of the French Riviera, Nice is the starting point of awe-inspiring journeys across the scenic Côte d'Azur coastline. Few things compare to taking in sunsets as breath-taking as these.

Épique

From the quaint streets of Old Town to the charm of Promenade des Anglais, the intrigue of the museums to the wonder of age-old cathedrals, there's rich history seeped into every part of Nice.
