

THIS BROCHURE ISN'T JUST ABOUT DAMAC FARMHOUSES.

IT'S ABOUT THE FARMHOUSE.  
YOUR FARMHOUSE.

THIS IS THE  
PROMISE YOU  
MADE TO  
YOURSELF.

Each farmhouse you've built, day after day, month after month, is your thought,  
a collage of your dreams, and your family's dreams.  
A dream home that waits for them all to arrive,  
yet close to everything you love.

All of this, held together not by bricks and mortar,  
but by dreams and desires.

THE FARMHOUSE  
DREAMS

TAKE A  
DEEP  
BREATH

AND DIVE INTO THE SIMPLE LIFE.

#### WHAT IS SIMPLICITY?

It is something a child is intuitively by, but does not understand.  
And that as a man, he is against the rest of the life pursuing.

It is the taste of bread. The softness of grass.  
The singing of birds at day, and at an hour of dusk.

To gaze up at the night sky and name the many stars.  
To catch the breeze and smiling sun, and make a wish.

SURROUND  
YOURSELF  
WITH  
THINGS  
THAT MAKE  
YOU HAPPY.

Surround yourself with those you love.  
Bath them in the sunlight you love best, and  
an hour (and those who don't really at all,  
watching legs for wings and then.

The simplest pleasures of life are also the best pleasures of life.

Use marriage agents in bed... and afterwards agents in hammocks.

Use mosquito-netting agents from a little barbershop walking through the air,  
as you glide berries in your backyard garden.
